

SOUTH BRUSWICK TOWNSHIP RABIES CLINIC - NOVEMBER 13, 2021

PET OWNERS MUST WEAR A FACE MASK DURING VACCINATION OF THEIR PET

The COVID-19 virus is a highly contagious and virulent disease, that for some people could be life threatening. The Township has taken every reasonable precaution to make your participation safe. Nevertheless, there is always a possibility that you could be exposed to the COVID-19 virus. The Township assumes no responsibility in the event you or someone in your family becomes infected with the COVID-19 as a result of your participation in this rabies clinic program.

If you bring proof of a prior rabies vaccination or license tag with you to the clinic, your pet's rabies vaccination will have a three (3) year duration.

If you do not have a rabies vaccine record or license tag for your pet with you during the clinic or your pet is newly born at least 3 months age, your pet's vaccination duration will be one (1) year.

Please fill out the information below to expedite your check in.
