

HELP THE S. BRUNSWICK SENIOR CENTER RAISE MONEY WHILE HELPING THE ENVIRONMENT!

The Senior Center has teamed up with eco-wise business, Terra Cycle, to collect waste materials that are not normally taken by our local recycling which prevents all this waste from going into landfills. Terra Cycle then donates money to us (they even pay the postage). They upcycle the goods into unique, eco friendly products like tote bags, purses, backpacks, shower curtains, & so much more. All you have to do is collect any of the items listed below and bring them to the Senior Center Office. Please make sure items are clean. Tell family & friends and get them collecting for us too! We thank you for all your help!!
